

Dear Parents,

Greetings!!!

Wishing all members of GGS family a happy festive time. We hope and pray that all members of GGS family are safe and in good health.

We are thankful to the parents who have deposited the fee for the first three quarters and request those who have not deposited the fee even for the first and the second quarter to deposit the fee immediately.

Further, the parents who have not paid the fee for the month of October and November, 2020 are requested to pay the same by 15th November, 2020.

The fee may be paid on monthly basis as well.

If any parent finds it difficult to pay the full fee in one go, they may pay the fee in two instalments, 70% now and remaining 30% on the reopening of the school or by 30th November, 2020, whatever is earlier.

In case, parents need any support regarding fee, they may send a request on principal@gurukulglobalschool.co.in or contact the School Principal in person before 15th November, 2020.

Considering financial difficulties caused due to COVID-19 pandemic, the school had already offered a fee waiver of 5% till November, 2020. As a gesture of goodwill, the school has decided to raise the **fee waiver of 5% to 7% resulting in no increase in fee from the previous year.**

Parents who have paid fee availing 5% discount will also be entitled to the revised rate of fee waiver. The excess amount paid by them will be adjusted against the fee payable in subsequent months.

The fees can be paid online on Cyber School Manager (Fee portal). If the fee is paid by mode of cash / cheque /NEFT, kindly send the picture of payslip / NEFT details on mobile no. 9646245100 for updation.

Our mutual understanding and collaboration will certainly help us cross these tough times.

Thanks & Regards
Principal
GGS
